FMDC charges monthly tuition and it is based off the number of hours per week you are taking.

For your convenience, we have broken tuition into 9 monthly payments (September-May). All monthly tuition payments are due on the 1st of the month, and monthly tuition payments are automatically charged to a debit or credit card on file. If your tuition is not paid by the 5th of the month, a \$35 fee will be added to your account. Students will not be allowed in class if their tuition is not paid in full, by the 15th of the month. Accounts more than 60 days past due may be submitted to collection services.

Each monthly payment is the same regardless of missed classes, cancellations, and holidays. Refunds (no exceptions) will not be issued for missed classes or holidays. If possible, a make up class is suggested for any missed classes. If you are enrolled in the Fall Session, we will assume that you are continuing to the Spring Session.
