

## Dress Code & Shoe Requirements

At FMDC, we have a dress code for all ages groups. Just like any team sport, you would not show up to the game without your jersey, and the same goes for dance class. Dressing appropriately in class gives the dancer confidence, helps lessen distractions, and helps teachers better see body lines.

**Please Note-** Students not in the proper attire could be asked to sit, watch, and take notes in class. No loose jewelry (stud earrings allowed) is permitted or gum chewing. All dance shoes (including sneakers for hip-hop) must NOT be worn outside. NO JEANS are to be worn in any class, including tap.

### Where to shop:

All Twirl classes (pink, lilac, and yellow) will purchase their leotards through FMDC. FMDC sells ballet shoes, tap shoes, tights, and other black apparel that can be worn in the classroom. Click [HERE](#) to view the FMDC apparel.

Boulder Body Wear is your local dance store, and they can help you find any dance shoes or other dance items you may need. They have fantastic customer service.

Boulder Body Wear  
2850 Arapahoe Rd #104  
Lafayette, CO 80026  
Phone: (303) 447-9100

### Inclusivity:

Part of FMDC's dress code is to be inclusive of all skin tones. For classes that are required to have tights that match their skin tone, we welcome dancers to choose an option that best matches their skin tone. FMDC partners with a company that offers a variety of options for our dancers.

This does not apply for ballet classes as all dancers will be in pink tights, therefore, pink ballet shoes will continue the line of the leg for all dancers regardless of skin tone.
