FMDC's 6 Week Summer Session is based off the number of hours per week you are taking. The session payment is the same regardless of missed classes. Enjoy a little summer savings as you can dance for 6 weeks for the price of 5 weeks!

Refunds (no exceptions) will not be issued for missed classes. \$35.00 (\$25 current students) will be charged to your account to save your dancer's spot in class.

The remainder will be charged the first day of class on June 18th.
